

Church of the Redeemer Parish Services Directory

We are glad to be able to present the following information as a service to our church community. Thank you to all parishioners who turned in listings for this first directory. Subsequent printings will be done as needed by additions and changes; however, an updated copy will always be available on the church website at www.churchredeemer.org. There is also a form on the website which can be submitted at any time if you wish to make changes, additions or deletions.
